#### HISTORICAL.

Lient.-Col. Baldwin J. Crosswait served as second lieutenant of Captain Melaughdin's Company, 3d Ohio Vol., in the Mexican War. In November, 1853, he moved with his family from near Mansfield, Ohio, to Angola, Iud., and was one of its active business men and merchants until the breaking out of the Civil War. He was very active in raising Company A and organizing the Forty-Fourth Indiana, and was commissioned its lieutenant-colored. He remained with his command until compelled to return home on a sick furlough, the disabilities incured in the Mexican War being aggravated by his return to a soldier's life, where he died Feb. 20, 1862, aged 45 years.

He was a thorough and fine military officer and proved his ability by the quick, complete and thorough organization and military appearance of the early Forty-Fourth. In rememberance of him as a fellow citizen and comrade G. A. R. Post No. 150 upon its organization adopted the name of B. J. Crosswait Post and have enrolled 208 veterans. By loss from death, transfer and other causes, 126 now remain.

An able auxiliary W. R. C. have been of incalcuable benefit to the Post in influencing the moral and gentlemanly conduct of its members and its willingness to aid in Charity and teach Loyalty and Friendship.
